..... enter the ECB Under 15 National Club Championship 2009.

The England and Wales Cricket Board (ECB) is delighted to announce that

..... will play in the round of the ECB Under 15 National Club Championship 2009.

Mike Gatting, ECB Managing Director of Cricket Partnerships, said “It is testament to the heritage and quality of the ECB U15 National Club Championship that it has produced so many world class performers over the years.”

“The story of Andrew Flintoff’s heroics in the 1993 competition – when he scored 234 not out in 20 overs including 22 sixes – is just one fine example”

This is set to be another record year as more than 1750 clubs will enter the competition and around 26,000 junior cricketers will share the dream of being in the team crowned ECB Under 15 National Cricket Champions come Finals Day.

Giles Clarke, ECB Chairman, is looking forward to another exciting year of competition and said: “England stars such as Andrew Flintoff, Stephen Harmison, Monty Panesar and James Anderson have all taken part in the ECB Under 15 National Club Championship as have former England players such as Nasser Hussain and Marcus Trescothick.”

“I think that shows the importance of the competition on the path from the playground to the Test arena and why it has established itself in the last 30 years as an essential part of the cricketing calendar.”

The Championship is played on a county basis with each of the 40 county winners progressing to a knock-out National Competition. The National Finals Day will be played at Kibworth Cricket Club, Leicestershire on Thursday 27th August – play will begin at 10.30am.
